About Us

Do you run a business and are tired of experimenting with the storage? If yes, then choosing the storage racks and allied products from the an ample array provided by BSI Racks may solve your storage problem. Heavy Duty Iron Racks, Slotted Angle Racks, File Storage Racks, Long Span Pallet Racks and FIFO Racks are some of the bestsellers from our product range. Appreciated for their durability, sturdy built and premium quality, these and all other products are the best to invest in. We have become the best in the storage solution providing business, we focus on R&D, product designing, manufacturing and even installation on request. Owing to our work dedication, we have also been hired by Delhi Metro Rail Corporation.

From machinery to manpower, BSI Racks has everything to run its business efficiently from Ghaziabad,Uttar Pradesh, India. We have other branches in Sahibabad and Delhi. Besides, it is because of our widespread network for which we reach every nook and corner across the market with ease. In addition, we have done projects for both government/public and private sectors including Indian Railway and Airport Authority of India because our FIFO Racks, Heavy Duty Iron Racks and more, are appreciated by everyone. The assistance of our 20 proficient people enables us to ally with our business partners including shareholders, vendors and customers. Besides, they are guided by mentor, Mr. Ved Virmani to work hard and achieve their set targets.
